

Battleships: Level 2

Home Physical Education

Can you play
by the rules
and respect
your
opponent?

How to play:

- With a partner, each player places three targets (battleships) in front of them. Place an additional battleship known as the 'ultimate battleship' in the middle.
- Players take turns to throw an object towards their opponent's battleships.
- Each time a battleship is hit, it is removed. If players hit the ultimate battleship they can add back one of their battleships that has been hit.
- The winner is the first player to hit all of their partner's battleships.
